FOR IMMEDIATE RELEASE

[TRADE BLAU]

[21.08.2022]

Trade Blau XXI, S.L. partners with Super Design Manufacture Co. LTD Zhuhai.

Trade Blau signs an exclusive agreement with Super Design to supply Super Design Pet products to Turkish market.

[Barcelona, 10.08.2022]. Spanish based import export company Trade Blau XXI, S.L. and China Based Super Design Manufacture Co. announced today that the companies have entered into a strategic partnership that will provide Super Design Pet products to the Turkish business and end users.

The agreement brings together Trade Blau and its Turkish Branch Mavi Kapital Grup with the power of Chinese production.

The current CEO of Trade Blau XXI, S.L. Yolanda de Castro Clements commented “ This is a great step towards bringing patented, top-quality products to Turkish businesses and end users. We are proud to continue to bridge Spanish and Turkish markets. This opportunity will also position us as the main player to supply materials as well as finished products from Asian markets to Turkey..

Customers of Trade Blau will now be able to get access to patented and quality pet products, with the guarantee that comes with Trade Blau import services.

About TRADE BLAU XXI,S.L.

Trade Blau is Barcelona based company with it's Turkish branch focused on bridging Turkish and Spanish markets. Trade Blau with its complete network of producers providers three main services:

Opening the doors of the European Market to Turkish manufacturers By distributorship agreements with Turkish manufacturers selected by our company, distribution and sales of the products of our partners in Turkey to Europe through Spain.

Import of products to Turkey: Deliver the highest quality products to our Turkish manufacturers through Spain and Asia through our wide and reliable network.

Bridge Turkey-Europe: Provide quality, hassled-free and trusted export services to Turkish manufacturers for their European customers.
